### MESSAGE FROM PRINCIPAL

The core aim of education is to provide young kids with a great learning environment which brings out the best in them. We believe that every child is blessed with a unique set of characteristics and capabilities, which need to be cultivated so that they blossom and reach the heights.

**PRAKASH VIDYA MANDIR** with over 18 years of excellence in education has always aimed at providing the best quality education. It has created benchmarks of finest education and is committed to providing a progressive education system. We aim to develop a future generation with great moral and social skills that takes pride in our heritage and culture, and also turn into excellent professionals and achievers in their life.

From recruiting highly skilled teachers to offering the best educational programmes, great care is taken to assure that the students get nothing short of the best.

Education is not a destination but a journey in itself that turns an entity into a human being which is the biggest need of the hour.

We are committed for the enlightenment and all round development of our students.

## **ADMINISTRATOR'S MESSAGE**

"Education is the passport to the future, tomorrow belongs to those who prepare for it today"  
Today the role of school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners , critical thinkers and productive members of an everchanging global society.

We provide an atmosphere to the students for multifaceted development , where children are encouraged to know their potential in the pursuit of excellence. The school is striving hard to make the best possible efforts to inculcate strong values along with academics and extra curricular activities in the children.

Our approach to learning is child centric , encouraging activity based learning and inculcating a scientific temper and a spirit of free enquiry in the young minds . while academic is our major thrust. The school is also devoted to prepare the students for life , groom them to face challenges and competition of tomorrow and encourage them to be socially relevant. It that case for physical well being of students indoor and outdoor games held during the each academic year amongst the three houses of the school.

"If a plant is carefully nurtured by a gardener , it will become good , and produce better fruits."  
Therefore , children must be given a good training from their earliest childhood . We are here for the same.

"Do the work with intention not because of compulsion."
